HELPFUL INFORMATION

WEEKLY PRAYER FOCUS POINTS

Global: Pray for the church in China to conduct themselves biblically, with compassion, submission, and courage under increasing scrutiny and governmental pressure. Pray that any government attempt to alter the Scriptures in the Chinese language be thwarted. Ask the Lord for second and third-generation family members to place their confidence in their relationship with the Son, and not in their religious identity inherited by their family.

Ecclesial: For the church in China to have access to and pursue biblically sound training and raise up wise and godly leaders who guide the believers in a daily practical and devotional life. Pray that the Body would live with a generous spirit of evangelism and rise up to proclaim the Gospel outside of China. For all the brothers and sisters in Christ as college students throughout China to not buckle under the immense pressure put on them by educational demands, but to keep their faith in the Father, and to remain in fellowship with believers. And for all believers, to grow in unity and eradicate barriers between them built by mistrust.

Unreached People Group: For the many small, but distinct, ethnic religious peoples in southern China.

Domestic: For the homeless, to recognize their need for Christ and his church, and acknowledge destructive patterns in their lives and humble themselves before the Lord and live as productive citizens and family members.

Parachurch: For homeless ministries, to minister faithfully to unsheltered people in both word and deed, delivering mercy in kindness, compassion, and the meeting of physical needs, delivering salvation in the proclamation of the gospel.
